Possible Changes

Airlines schedules and local conditions may require sightseeing, hotels and routings to be changed. Should this occur, Eurotours & Travel Pte Ltd will substitute arrangements of a similar value. Eurotours & Travel Pte Ltd reserves the right to alter the tour package (including the itinerary) should circumstances so dictate. It may change air carriers to secure fares at special levels, or due departure dates or destinations. If the alteration is made before departure so that the tour package becomes materially different, the traveller will have the right to either cancel the arrangements and accept a full refund (but nothing more) or accept the alternative arrangements. If unforeseen circumstances beyond our control make changes necessary, we reserve the right to vary itineraries and to substitute hotels. On the occasions where a hotel has overbooked its capacity, it may be necessary to change the hotel to one of similar or superior grade. We also reserve the right to decline, to accept any booking or, after acceptance, to cancel the tour arrangement for any reason (including insufficient number of participants and non-confirmation of flights and other arrangements). Should this happen, the entire payment will be refunded and we shall be under no further liability to the passenger.
